Dear President Singh,

On behalf of the United Nations Academic Impact (UNAI) team, we are delighted to welcome the Academic Council of CCLP Worldwide as a new member of the initiative. We appreciate the registration by your institution and its support to UNAI principles.

As you know, UNAI members are expected to engage in at least one activity every year which is related to any of these principles; we value your support and effort, and we look forward to working with you. We would appreciate hearing back from you as to the type of activity you plan in 2012.

We would be grateful if you could make reference to the UNAI website in any materials you produce related to your membership in UNAI, and add a link to the UNAI website on your website. The UNAI member logo should also be used on your website. It can be downloaded from our website (<http://outreach.un.org/unai/resources/unai-branding/>).

For reference, the UNAI website and facebook page are as follows:
