Mr. Viinod Singh,

CCLP Worldwide is a 2009 application package and will be reviewed for clarification and additional information as required. The NGO Section will contact your NGO through electronic mail, postal mail and as necessary through telephone. On presentation of your application to the NGO Committee for consideration and in response to the Committee queries, CCLP will be advised on the use of the NGO response system.

With thanks for your query and the NGO Section looks forward to working with your organization.

Best regards
