Respected Sir,

Calvary Greetings.

It is an answer to our prayers that God has brought the right Government to power. We continue to pray for you and for all those who are shouldering great responsibilities to steer the nation to success.

We believe that better education means better development and the same was also echoed in the choice of people for Congress.

Advancing “Higher education for sustainable better livelihood” **University of Jerusalem** and Global Civil Society **CCLP Worldwide** wish to present the “Education Charter “– a memorandum to support Higher Education for sustainable Better livelihood and would like to confer an Honorary Doctorate degree (Specialization in Humanitarian Services) upon you.

We hope that you shall accept this honor.

We request you to allow us to send our delegation to honor you in person at a date convenient to you at your office.
