● Accreditation ● Fellow ● Research

Our Fellows are Global
Emerging Academicians
to Higher Education
Institutions.

Education Board For Accreditation
Accredited, recognized and validated
by Ministry of Science, Govt. of North Macedonia
and Ministry of Diaspora Government of Albania
under Inter-Governmental Treaty organization
Diplomatic Research and Policy Foundation

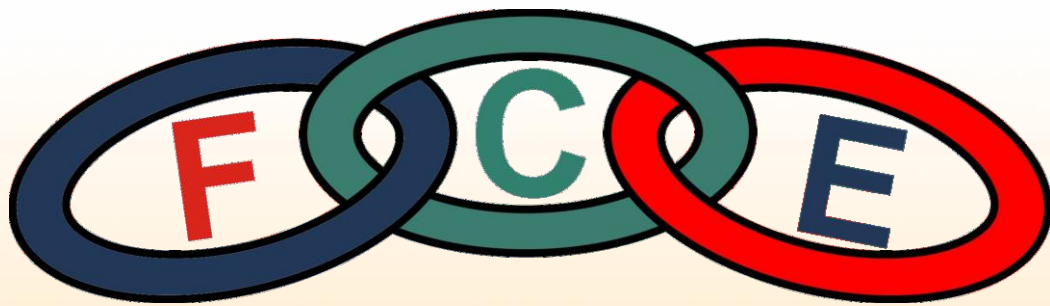

The **Fellow Chartered Educator**, an academic rank and title aims to recognize the outstanding contribution of Educational initiative and research of early to mid-career academics to Higher Education Institutions.

The Council of Fellow Chartered Educators also aims to accelerate and support various research undertaken by Fellow Chartered Educators.

The purpose of the Council of Fellow Chartered Educator is to build stronger ties between Academicians, professors and Educators worldwide.

The Fellow Chartered Educators are champions of promoting the cause of “Education Charter.International” promoted by CCLP Worldwide.

“The International Education Charter is a declaration of fundamental principles guiding youth education worldwide in the 21st century. Created by global civil society, CCLP Worldwide and endorsed by thousands of members, volunteers, organizations, institutions and individuals engaged in promoting the position of youth, the International Education Charter is not only a call to action, but a motivating force inspiring change the world over. The International Education Charter is being implemented into the Declaration of Higher Education for the 21st century by UNESCO, and Ten Principles of United Nations Global Compact for the purposes of creating and a more purposeful and sustainable future for today’s youth.”

Selection of Fellow

The Education Board For Accreditation (formerly Academic Council) has laid down criteria to select and approve the application.

All the approvals will be validated and endorsed by Inter-Governmental Organization - **Diplomatic Research and Policy Foundation**.

Application	Screening	Query	Proposal	Approval
Receipt of complete application with documents and payments	Education Board screens the documents and merit of application	Education Board may seek additional information if required	The Academic Board will review the application and recommend or decline decision to Inter-Gov. Treaty Organization.	The Inter-Governmental Treaty Organization Diplomatic Research and Policy Foundation will approve the recommended application.

Post Graduate Degree in any stream or discipline (Preferably doctoral qualification or Masters Degree. The postgraduate professionals like Chartered Accountants, Chartered Analysts, holder of Post Graduate Diploma in Business Administration, Company Secretaries Cost Accountant, Stock analysts etc. are also eligible).

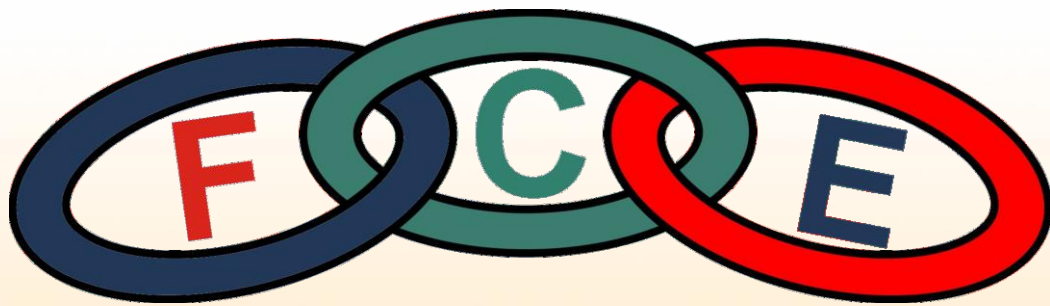

A sufficient involvement in any subject through training, professional work, research, publications or other work of a similar nature (A letter from Concern, publication House, Research Unit, Academy, College or any other department may be accepted as basis of such involvement.)

The candidate must be proposed by existing Fellow of the Education Board For Accreditation or by any academic Institution, recognized NGO, Government Department or Elected Representative.

The submission of Research paper or book or any publication authored by candidate may be additional requirement but not mandatory.

The applicant must have endorsed Education Charter International by submitting in official site.

The applicant must initiate payment of requisite fees towards application (In case of rejection the entire fees (except bank charges if any) will be refunded).
